Forward-Looking Statements and Presentation of Financial Information

Forward-looking statements

Certain statements contained in this presentation may constitute forward-looking information within the meaning of securities laws. Forward-looking information may relate to our future outlook and anticipated events, business, operations, financial performance, financial condition or results. Particularly, statements regarding our financial guidelines, future operating results and economic performance, objectives and strategies are forward-looking statements. These statements are based on certain factors and assumptions including expected growth, results of operations, purchase price allocation, tax rates, weighted average cost of capital, performance and business prospects and opportunities, which we believe are reasonable as of the current date. Refer in particular to the "Corporate Objectives and Strategy" and the "Fiscal 2025 Financial Guidelines" sections in the Fiscal 2024 annual Management Discussion and Analysis ("MD&A") for a discussion of certain key economic, market and operational assumptions we have made in preparing forward-looking statements.

Forward-looking information involves known and unknown risks and uncertainties and other factors which may cause the actual results to differ materially from the assumptions, estimates or expectations reflected or contained in the forward-looking information, and may be affected by a number of factors, many of which are beyond the Corporation's control. The uncertainties and main risk factors that could influence actual results are described in the "Uncertainties and main risk factors" sections of the fiscal 2024 annual MD&A and the fiscal 2025 first quarter MD&A. These factors are not intended to represent a complete list of the factors that could affect Cogeco and future events and results may vary significantly from what we currently foresee. The reader should not place undue importance on forward-looking information contained in this presentation and forward-looking statements contained in this presentation represent our expectations as of January 13, 2025 and are subject to change after such date. While we may elect to do so, we are under no obligation (and expressly disclaim any such obligation) and do not undertake to update or alter this information at any particular time, whether as a result of new information, future events or otherwise, except as required by law.

Presentation of financial information

This presentation also includes non-IFRS Accounting Standards and other financial measures **(as indicated below and numbered from i) to viii) in the presentation)** that are not standardized under IFRS Accounting Standards, as issued by the International Accounting Standards Board ("IFRS Accounting Standards") and therefore, might not be comparable to similar financial measures presented by other companies. Certain additional disclosures for these financial measures, including reconciliations to the most directly comparable IFRS Accounting Standards measures, have been incorporated by reference and can be found in the "Non-IFRS Accounting Standards and other financial measures" sections of the Corporation's MD&A for the first quarter of fiscal 2025 and the annual MD&A for the year ended August 31, 2024, and in the "Non-IFRS and other financial measures" section of the Corporation's annual MD&A for the years ended August 31, 2023, 2022 and 2021, available on SEDAR+ at www.sedarplus.ca.

- i. Adjusted EBITDA is total of segments measure. Adjusted EBITDA margin is a supplementary financial measure
- ii. Free cash flow and free cash flow, excluding network expansion projects are non-IFRS Accounting Standards measures. During the fourth quarter of fiscal 2024, the Corporation updated its calculation of free cash flow and free cash flow, excluding network expansion projects, to include proceeds on disposals of property, plant and equipment, which includes proceeds from sale and leaseback transactions. Comparative figures were restated to conform to the current presentation. Fiscal 2024, 2023 and 2022 reconciliations to the most directly comparable IFRS Accounting Standards measures have been incorporated by reference and can be found in the "Non-IFRS Accounting Standards and other financial measures" section of the Corporation's fiscal 2024 annual MD&A, available on SEDAR+ at www.sedarplus.ca. Fiscal 2021 reconciliation to the most directly comparable IFRS Accounting Standards measures can be found in the "Appendix" section of this investor presentation, on page 30.
- iii. Net capital expenditures is total of segments measure
- iv. Constant currency basis is a non-IFRS Accounting Standards measure or ratio
- v. Capital intensity is a supplementary financial measure. Capital intensity excluding network expansion projects is a non-IFRS Accounting Standards ratio
- vi. Net indebtedness to adjusted EBITDA ratio is a capital management measure
- vii. Available liquidity is a non-IFRS Accounting Standards financial measure
- viii. Free cash flow dividend payout ratio and free cash flow, excluding network expansion projects, dividend payout ratio are non-IFRS Accounting Standards ratios

Totals in certain tables do not sum due to rounding.

LTM refers to figures for the twelve months ended November 30, 2024.

Unless otherwise noted, all amounts are in Canadian dollars.
